Our seasonal meal plans are carefully prepared by our catering team using locally sourced produce, in our 'five star' food hygiene rated kitchens.

With a strong emphasis on well balanced nutrition, all our meals include as much variety as possible whilst meeting individual and personal dietary needs.

## Keeping busy and active

Encouraging our residents to live as full and interesting life as possible is at the heart of what we do. Our popular programme of daily activities has something for everyone: arts and crafts, poetry group, exercises, reminiscence and weekly quizzes, to name a few.

Regular seasonal events run alongside this which include: Summer barbecues, Halloween parties, Summer Fair, Tea dances, Fund raising coffee mornings, Pamper days, Christmas events and Carol singing. All activities and events are well publicised for relatives to be part of, on our Facebook page and in our Residents Newsletter.

When it's time to get out and about, our private mini-bus offers weekly outings and trips during summer. For residents less mobile, we have regular visits from local groups and church ministers.
